

About Donita Ward

Doinita Ward is an international guide, bridging souls worldwide to the transformative power of infinite consciousness and the realization of their life's potential. As an Akashic Records Healer, Intuitive Life Counselor, Alchemist, Soul Astrologer, and Astro Cartographer, she offers profound insights and healing modalities to individuals and couples seeking personal and relational harmony.

With a multidimensional approach to healing, Doinita brings forth remarkable clarity and love, illuminating the mystical realms beyond the physical world. Her principles are accessible and straightforward, providing practical tools to cultivate health, wealth, and peace amidst life's complexities.

Doinita's healing journey traces back to her roots in Moldova, where she cultivated a deep affinity for holistic healing practices under her family's guidance. This foundation blossomed into a diverse range of modalities, including Akashic Records, Astrology, Astro Cartography, essential oils, plant wisdom, crystals, sound therapy, and ancient energy techniques.

Her transformative path led her across continents, arriving in America with only \$100 and a boundless sense of freedom in 2002. A career on the ocean provided space for exploration into esoteric topics and physical healing work. A pivotal moment came in 2013 with an encounter with Ayahuasca in Peru, leading to profound teachings on the inner heart, journey, and the Akashic records.

Today, Doinita serves as a beacon for individuals seeking realignment of body, mind, heart, and soul. Her clients span diverse backgrounds, from astrologers and healers to business leaders, teenagers, and families worldwide. Whether navigating
